

Advent -

*A time of waiting and preparation
How will you prepare?*

The Christmas season will soon be upon us, filled with shopping, cooking, baking, parties, family obligations...the list goes on. Each year seems busier than the last and before you know it, Christmas is here. Make this year different, step out of the "rat race", set aside one hour each week from the hustle and bustle.

Join us the Monday evenings during Advent, in the church, for a time of reflection, meditation and prayer.

We will begin at 7pm and end by 8pm.
