Respect All Life

Once again there is an attempt in the New York State legislature to make assisted suicide legal. Assisted Suicide (also called euthanasia or mercy killing) is nothing other than MURDER. It is the same as killing an infant in the womb, abortion or any other act of violence against the dignity and sanctity of human life. We profess and believe that each human life, without condition or exception, is of infinite dignity, value and worth; all human life is created in the Divine image and likeness, and we are redeemed by the precious Blood of our Lord and Savior Jesus Christ. There are those who claim assisted suicide is an act of mercy for one who is suffering. The fact is that, as I have been told by hospice workers, there is no reason in our society for anyone to have to endure undo pain, given the advances of medical technology. There is also the claim that the ill person may cause an undue burden, financially, emotionally, or psychologically on the family. Are our families really so shallow or selfish that we cannot care for an ill loved one? There are many groups and organizations that are there specifically to help families in this time of need. There is another argument that a person may no longer be of value to the society; this presupposes that a person's dignity and value is only determined by what he or she is able to contribute to the society; again we believe that human life has an inherent dignity that does not depend on ability or acts of the individual. God, and only God, is the author of life; not the society or state! However, we humans like to 'play' God. We have been doing so ever since the beginning. The serpent tempted them. "For God knows that when you eat the fruit of the tree your eyes will be opened and you will be like God, knowing good and evil." (Genesis 3:5). What then should we do? Contact your state legislators and tell them to oppose and vote no to this heinous, diabolical bill. If we remain silent, we give our tacit consent and will be morally responsible for our silence. Please go to our website or the given web address below to find out more.

A Family Perspective by Bud Ozar:

Today Jesus gives this advice: "Do not let your hearts be troubled." Worry and anxiety can consume our lives preventing us from seeing the love which surrounds us and binds us to one another. Don't miss the forest for the trees. We are living today what we worried about yesterday.

Question of the Week - Keeping Jesus' Word

For Adults: What difference has it made in your life when you made a decision in accord with Jesus' teachings?

For Children: When will you have to make a decision this week? What will help you make a good decision?

A Prayer for our Nation

Gracious and loving God, we come to you in humble prayer for the United States of America.

Bless our President. Give him wisdom and strength to serve the American people and lead our country in ways that are pleasing to you.

Bless our Congress. Instill in them knowledge and understanding to enact laws that protect the sanctity of life - from the unborn to the elderly; and promote the good of all people.

Bless the people of the United States. Make us aware of our responsibility as citizens to uphold the principles of life, liberty, justice and equality.

Send your Holy Spirit upon our beloved country. Make us people of faith in time of uncertainty. Make us people of hope in times of trouble. Make us people of compassion with those who are less fortunate. Make us people of peace in our homes, our communities, our country, and our world.

We ask this through Jesus Christ, Our Lord and Savior. Amen
