### WELCOME, NEW PARISHIONERS

welcome! We are happy that you have come to our  
parish to gather with us in prayer and to give thanks.  
We hope that you will soon call this faith community  
your home.

*Happy Father's Day!*

## Missionary Discipleship

Dear Parish Family,

As we welcome Fr. Augustine Mbiche to our parish for our annual Missionary Appeal, I am reminded that Pope Francis has called us all to Missionary Discipleship. A Missionary is one who is sent into the world to proclaim the Good News of the Gospel of Jesus Christ: the Gospel of salvation and hope for eternal life. The word 'mission' and 'missionary' come from the Latin word sent. Missionaries throughout the world in their efforts on behalf of the Church and the Gospel. As members of the Universal Church each of us has a responsibility to assist the missionaries spiritually (with our prayers) as well as materially (with our financial help). It is also important for us to remember that the United States was considered a 'mission country' until the first decades of the 20th century. Catholics throughout the world help support the Catholic Church in America with their prayers and support; and in turn, we are called to help other growing Churches. Our Catholic faith is growing in Africa, South America and Asia; and now these Churches, our brothers and sisters in Christ need our help so the mission of proclaiming the Gospel throughout the world may continue. God Bless. Fr. Dan

### Scripture Readings

Ez 17:22-24

Ps 92:2-3, 13-14, 15-16

2 Cor 5:6-10

Mk 4:26-34

**A Family Perspective by Bud Ozar:** Parenting is a lot like the story of the farmer in the gospel parable today. All growth is the Lord's work. We have no control over the process. In fact the farmer doesn't even understand it, for the seed grows even when he sleeps. As parents we can influence our children but nothing we do can guarantee results.

**Father's Day Sunday Extra:** It is interesting we call the first person of the Trinity, Father. Our dads help us understand God as Father in the way they love, protect, teach, discipline and spend time with us. What an awesome responsibility, to be the window through which children view God.

### IT TAKES A MAN

**It takes a man to be a father:**

- to discipline his child through the inner life of the spirit rather than by the brute force of his hand;
- to listen and to share his time and energy even when he is weary or busy with his own interests;
- to be sensitive to his child's needs and pain rather than concerned with his own image and ego;
- to be able to admit a mistake or a failure and ask forgiveness and understanding;
- to be patient, honest, open, while acknowledging his own impatience, prejudices, frustrations and the anger and pain of knowing he is less than what he wants to be;
- to take his child into his arms with a loving embrace when broken relationships need to be healed;
- to love his child's spontaneity, just as he or she is, rather than demand predetermined and patterned responses;
- to celebrate with his child the spirit of God as they together find it in the beauty of dawn, the breeze caressing their faces, the exhilaration of running, the touch of a hand, the quiet glow of shared love;
- to see in the child the man or woman the child will become and be grateful for the opportunity to share in the growing up.

**It takes a man to be himself – that he may be as a father to his child, and that his child may be a child to him.** *-author unknown*
